

Arizona Coalition to End Homelessness 2013 Membership

The Arizona Coalition to End Homelessness (AZCEH) provides leadership in statewide efforts to end homelessness through advocacy, education and coordination with local communities and initiatives. AZCEH activities include monitoring of and advocating for state and federal policies and laws that affect homeless individuals and families and those people at-risk of homelessness; educating and informing about homelessness and its causes and effective interventions through its annual statewide conference and other educational opportunities; convening and coordinating initiatives throughout the state that are focused on the issue of homelessness such as **Arizona StandDown and Project H3: VETS** for homeless veterans and **Project H3: Home, Health, Hope** for long term vulnerable homeless individuals and families; and providing education opportunities for service providers, policy makers and advocates working on behalf of men, women and children experiencing homelessness.

Ending homelessness in Arizona is possible. Please join the Arizona Coalition to End Homelessness and unite with those members who have already become part of the solution. Membership is open to individuals, provider agencies, businesses and corporations, as well as, community stakeholders.
